Eugenia – I have a couple of logistical questions:

FSWP: based on the date we received EPA's comments, our response-to-comments (RTCs) is due 3/17/17. However, having established a date for the "conference" of 3/16/17, by my calculations we now need to have the RTCs to EPA by 4/16/17 (according to paragraph 46 of the AOC, excerpted below). Can you please confirm or advise otherwise?

"46. a. EPA will review and comment on the FS Work Plan in writing. Respondent may request a conference with EPA to discuss these comments. This conference shall be held within ten (10) days of Respondent's receipt of the comments, unless otherwise agreed by EPA. Respondent shall amend the FS Work Plan as required by EPA's comments or as otherwise agreed upon by EPA in writing and shall submit the amended FS Work Plan to EPA within thirty (30) days of receipt of EPA's comments or thirty (30) days of the date of the conference with EPA, whichever is later, or such longer time period as specified by EPA in writing."

RAGS Tables 1 and 4: based on the date we received EPA's comments, our RTCs is due 3/09/17. However, since one of the comments on the RAGS tables is the same as the comment on the FSWP, should we delay, at least until some reasonable time after the "conference," submittal of our RTCs? If so, I propose that we determine a due date for the RAGS RTCs at the conclusion of our call on 3/16. Please let me know if this is acceptable or if you prefer that we submit the RTCs on 3/9 with language relating to the "conference" and then revise and resubmit after 3/16.

If you prefer to discuss, please give me a call (tomorrow, Friday, please call my cell).

Thanks
Cliff
